

Sell Online & Get Paid in Cash

PayCash

powered by **pesopay**

PayCash is a cash payment processing service that enables online merchants to sell online and get paid in cash. With PayCash, merchants can accept cash payments at more than 5,000+ payment outlets nationwide.

Customers can pay at banks, pawnshops and various retail payment centers thereby effectively increasing the number of customers a merchant can tap.

PayCash Process Flow

Key Features

- Nationwide Coverage**
 Accept cash payments at more than 5,000+ payment outlets nationwide.
- Reference Number Verifier**
 An automated system that checks the payment reference numbers in order to prevent incorrect deposits
 Utilizes check digit validation method with our bank and payment partners to ensure correct payment reference.
- Payment Tracker (1st in the Philippines)**
 Payment Tracker is a feature of PayCash that enables customers of accredited merchants to track the status of their payments:
 - Payment tracker widget to be provided to merchant that can be embedded on their website.
 - Payment tracker email link sent to customer upon completing online order.
